WHO WE ARE

Odyssey Alumni are “graduates” of Odyssey of the Mind. People who participated as team members and have moved on to do great things, large and small.

WHAT WE DO

VOLUNTEER

You make our program run, just like all of the coaches, judges, and tournament workers that made the program run for you.

CONNECT

You built career and social skills that many Omers obtain and continue to use on a daily basis, find similar people and also connect through scholarships and donations.

COMPETE

Division IV is made from Collegiate & Military personnel. All team members must have a high school diploma or its equivalent and be enrolled in at least one course at a two- or four-year college or university OR be enlisted in the military during the program year.
